

Vincent The Christmas Virus

The Arrogant Worms

This year at Christmas, everybody's feeling funny
No one's making joyful sounds
Cranberry sauce ain't staying down

The lineups at the bathroom
Are longer than at the mall
Everybody's meeting Vincent
The Christmas Virus

Vincent the Christmas Virus
He's the one that'll keep you up all night
He's the festive parasite

Vincent the Christmas Virus
Vincent the Christmas Virus is resistant to penicillin
Doesn't notice Aspirin
Don't matter if you're fit and trim

But Vincent's not immune to the effects of alcohol
So get real drunk on Christmas Day
Let's all toast to Vincent!

YAYYY!
