## No Fair At All

## The Association

I've never seen this side of you before
Till now
I never knew that you could feel this way
Till now

After all the time we spent together Just doesn't seem fair At all No fair at all

Never seen the moonlight through your hair Till now
Never heard the sweet things you could say Till now

After all the time we spent together Just doesn't seem fair
At all
No fair at all

After all the time we spent together Just doesn't seem fair At all No fair at all

No fair at all
