

Dollars In The Night

The Asteroids Galaxy Tour

Take your check start working
Getting up your face
Everybody stop joking
Telling of your space
Gather round this nation that it's your faith
Is ride on the flip side again and again and then again

Dollars in the night
Dollars in the night
Dollars in the night
Dollars in the night

It's insane, fame
It's insane, fame

Go back to Too late to change
So afraid to be lazy
You're walking without chain
The back money
Spend it all today
Is suppose to be funny?
People know your name

Dollars in the night
Dollars in the night
Dollars in the night
Dollars in the night

It's insane, fame
Who's to blame
It's insane, fame
What's her name
Fame
