

Middle Man

The Atomic Bitchwax

A half a million always,
Will you,
It's so true.
But heaven cut me off
Please tell me,
Sell me,
You,
Kill you,
Remember we,
I'm so watching Joline.

Some infromation from the middle man, for you, oh you.

A half a million always,
Will you,
It's so true.
But heaven cut me off
Please tell me,
Sell me,
You,
Kill you,
Remember we,
I'm so watching Joline.

Some infromation from the middle man, for you, oh you.

A half a million always,
Will you,
It's so true.
But heaven cut me off
Please tell me,
Sell me,
You,
Kill you,
Remember we,
I'm so watching Joline.

Some infromation from the middle man, for you, oh you.
