

For so long  
I have been attacked by your words  
And never holding back  
Now you're scared  
Of where I have been  
I was never alone

And I won't ever let this go  
This is the path, the life I chose  
My livelihood my resides on my back  
I'll keep my legs as strong as I can

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

Thought you had me  
Tied up by a string  
On the side  
Something I've been wanting  
Said you're leaving  
But to my defense  
I was never alone

And I won't ever let this go  
This is the path, the life I chose  
My livelihood my insides on my back  
I'll keep my legs as strong as I can

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

Say you want more  
But it's all I got  
I wanna make sure  
That you know I won't stop  
You thought you had me, baby  
You thought you had me, baby

Say you want more  
But it's all I got  
I wanna make sure  
That you know I won't stop  
You thought you had me, baby  
You never had me, baby

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no
