

# Let Me Know

## The Audition

Don't make me tell you that you're the only one  
Because you never said I was who you want  
I fight to change you  
You always stay the same  
I wonder how much longer that we're gonna wait

If we're gonna make it  
Please, you gotta let me know

You are the only one who  
Can bring me down  
Chasing something I can never want now

Don't act like you care  
It's not what I want  
Save face and keep tight  
Don't act like you care  
It's not what I want  
Save face and keep tight

If we're gonna make it  
Please, you gotta let me know, know  
'Cause I'm gonna take it  
As far as you're willing to go, go  
And why can't we just meet in the middle?  
If we're gonna make it  
Please, you gotta let me know  
Let me know  
Please let me know  
Let me know  
Please let me know

I am the only one who  
Can take you out  
Leaving something that you'll never get now

Don't act like you care  
It's not what I want  
Save face and keep tight  
Don't act like you care  
It's not what I want  
Save face and keep tight

If we're gonna make it  
Please, you gotta let me know, know  
'Cause I'm gonna take it  
As far as you're willing to go, go  
And why can't we just meet in the middle?  
If we're gonna make it  
Please, you gotta let me know  
Let me know

And maybe one day  
We'll share a drink and get along  
And clear the air  
It's okay to live alone  
And you don't need to tell me that you're sorry

'Cause I can see you left yourself so long ago  
And this is where the both of us, we walk alone  
And I can feel it wearing down to the bone  
Down to the bone

Don't act like you care  
It's not what I want  
Don't act like you care

If we're gonna make it  
Please, you gotta let me know, know  
'Cause I'm gonna take it  
As far as you're willing to go, go  
And why can't we just meet in the middle?  
If we're gonna make it  
Please, you gotta let me know  
Let me know  
Please let me know  
Let me know  
Please let me know  
Let me know
