

You

The Audition

You're the only one

All I need
Is you here with me
Someone to depend on
When the rain falls down
All I know
Is the way I feel
Whenever you're around me
All the darkness turns to day

What'd you do to me?

You're the one and only
Treasure in my life
A feelin' I can't hide from you
When you're the only one
You're the one and only
Pleasure in my life
A feelin' that goes on and on
When you're the only one

All my thoughts
They just run away
Move a little closer
Now we breathe as one
Take my hand
Let's fly away
To another place and time
Let the world just fade away

What'd you do to me?

You're the one and only
Treasure in my life
A feelin' I can't hide from you
When you're the only one
You're the one and only
Pleasure in my life
A feelin' that goes on and on
When you're the only one

What'd you do to me?
You made me feel so alive
A feeling deep inside

What'd you do to me?

You're the one and only
Treasure in my life
A feelin' I can't hide from you
When you're the only one
You're the one and only
Pleasure in my life
A feelin' that goes on and on

You're the one and only

Treasure in my life
A feelin' I can't hide from you
When you're the only one
You're the one and only
Pleasure in my life
A feelin' that goes on and on
When you're the only one

You're the only one
