

How Could I Be Wrong

The Auteurs

In my role
As a groundbreaker
As a pallbearer
In my past life
As a benefactor
My lost years
As an actor
The stars are brighter
Are lighter
Then they have been
for years
Those stars are tighter
At one time
Iç£›e never seen so many
How could I be wrong?
In my role
As a peacemaker
As a lifesaver
In your room
As a plan hatcher
A soul snatcher
