First child and a showbiz son Always hide where you come from Mother got out rehab And I was born I was starstruck When I was young It's never too soon To tread the boards I was in Vaudeville At age five My career took Its first nosedive I've been starstruck all my life

Starstruck,
starstruck over you
Starstruck,
I'm struck dumb by you
Starstruck,
I struck out my luck
I was always starstruck

Can't get an agent
For a child star
My act effete and failing
So I moved
To the old backlot
Where I exercise daily

Starstruck,
starstruck over you
Starstruck,
I'm struck dumb by you
Starstruck,
I struck out my luck
I was always starstruck

Now you're between A peak time show I hear you're now married She was born to be seen Not to be carried

Starstruck, starstruck over you Starstruck, I'm stuck here with you Starstruck, I struck out my luck I was always...
