

## Always The Same

### The Autumn Film

I'm gonna be without you With my arms open wide And my love I loved you But you've stolen my pride And my head's in a heart-shaped box My world's collapsed My head's in a heart-shaped box Always the same ba ba ba ba ba ba ba ba ba ba ba ba ba ba ba

Our love grew callous Through the tides and the thorns And I'm losing balance As the sun it moves on and on and on And my head's in a heart-shaped box My world's collapsed My head's in a heart-shaped box And it's always the same ba ba ba ba it's always the same ba ba ba ba it's always the same ba ba ba ba it's always the same ba ba ba ba

So spread your wings and fly away It's gonna hurt like hell And I'm sorry I hurt you If you're sorry you hurt me too ba ba ba ba it's always the same ba ba ba ba it's always the same ba ba ba ba it's always the same ba ba ba ba

My head's in a heart-shaped box My world's collapsed My head's in a heart-shaped box And it's always the same it's always the same it's always the same it's always the same ba ba ba ba it's always the same ba ba ba
