

Roll Over Me

The Autumn Film

Sometimes I'm Okay Sometimes you give way And when I think of you, will it go grey Or blue It comes in waves So roll over me Or just sink down, or just sink down To the bottom of the sea Or just be here, or just be here

I didn't belong When I played you that song And it rang off the walls Through the steeple halls Roll over me Or just sink down, or just sink down To the bottom of the sea Or just be here, or just be here

The cannons have fire They call my name I'm know that I'll live And I'll go just the same

And I'll take all the blow (The cannons have fire) Because the hit one by one (They call me name) Even if I'm afraid (I know that I'll live) I'm not gonna run (And I'll go just the same)

So roll over me Or just sink down, or just sink down To the bottom of the sea Or just be here, or just be here

So roll over me Or just sink down, or just sink down To the bottom of the sea Or just be here, or just be here
