

Safe And Sound

The Autumn Film

I needed to tell you that I'm
Safe and sound
You know I never meant to hurt you
What I do should not be allowed

(Chorus)
Cause I won't let you down
But I will let you down
I'm walking a tightrope on the ground
Safe and sound

Will I really be rejected, If I
Relax and let them by
I keep feeding all my senses
I'm spinning round and wondering why
