

## Deflowered

### The Autumn Offering

every fuckin day I sacrifice myself  
making up for a dime the company can't afford  
a professional button pusher  
craving the most valued resource we have  
in a single serving

leave dinner on the table, cause daddys comin home  
corruption ain't so bad after all  
routine self gratification  
this parade has got to end  
this parade has got to end

she bought a one way ticket  
on a bullet train  
guess who will be waiting at the end of the line  
This is just a test  
This is just a test to prove you worthy

witness the feast  
as a lie here dying of starvation  
just sneak a lil taste  
no one will ever notice

as i lean over the edge of this dock  
I find myself wishing i knew how to swim  
these waiting room walls are closing in  
but the sweet smell of a rose  
helps me fight this urge

untouched, sealed up in mint condition  
a pretty pre-wrapped package waiting to be torn apart  
innocence is lost, it was overrated anyway  
let me enlighten you with my touch

leave it on the table, cause daddys comin home  
it ain't so bad after all  
routine self gratification  
this parade has got to end  
this parade has got to end

let it all build up  
yeah  
like handprints on the wall

this dream has blossomed  
this dream has blossomed

this dream has blossomed and wilted away  
satisfaction
