If I take another sip, then I just might die
Take another sip then I just might lie
Tell her what she hear just to get between them thighs
Underground (?) world
So f**k what you say, do this shit my way
Like Frank Sinatra, bitch, do this shit my way

Take some vodka, sip slow rocka ock
Writ rhymes since the days with Frankie Crocker rock
From more stocky stock

Known for his illy right hook to make Rocky block
That's no poppy cock pirate
We can keep it irie, or we can keep it irate
Dilate
We keep it 100
From the hikes and all the lights
And Southern Comfort, muff it
Come with that headbanger boogie for that ass
Villain give a bully ten noogies for the cash
Dash, dip slow on a marathon
Or maybe he go sing Calypso like Farrakhan
Or Frank Sinatra mon
