

Light Up

The Avalanches

What a wonderful sight
It just seems to be right
That there's something to do
For the rich people too
So light up the hall
There's dancing for all
It's a world of fantasy

Doo doo doo doo doo
It's a world of fantasy
Doo doo doo doo doo
It's a world of fantasy
Doo doo doo doo doo
Ba ba ba ba ba (Doo doo doo doo doo)
It's a world of fantasy
It's a world of
It's a world of fantasy
