

Sunshine

The Avalanches

I fell in love for sunshine
From up above, ove, ove
For sunshine
From up above, ove, ove
For, I fell in love

I fell in love
[?]
On a sunny day
Then you went away
Turnin' my blue skies gray
And takin' my sunshine
I fell in love, on a sunny day

Sunshine
Sunshine
Sunshine

From up above, [?]

It's just that I got other stuff on my mind these days
