The Avalanches

I fell in love for sunshine  
From up above, ove, ove  
For sunshine  
From up above, ove, ove  
For, I fell in love

I fell in love  
[?]  
On a sunny day  
Then you went away  
Turnin' my blue skies gray  
And takin' my sunshine  
I fell in love, on a sunny day

From up above, [?]

It's just that I got other stuff on my mind these days
