## The Avalanches

There is magic in the splendor and desire to surrender (ahh)  
Every moment we're together makes me hope it lasts forever (Yeah!)  
There is magic in the splendor and desire to surrender  
There is magic in the splendor and desire to surrender  
There is magic in the splendor and desire to surrender (Slap!)  
There is magic in the splendor and desire to surrender (ahh)  
Every moment we're together makes me hope it lasts forever  
There is magic in the splendor and desire to surrender (ahh)  
Every moment we're together makes me hope it lasts forever  
There is magic in the splendor and desire to surrender  
There is magic in the splendor and desire to surrender  
There is magic in the splendor and desire to surrender

(The Wozard of Iz)  
Aaaaaaaaaaah! (Here we go!)  
I have been over the rainbow  
And I found nothing there  
But very thin air  
(The Wozard of Iz)  
(The Wozard, the Wozard of Iz)

My 16's and tail twelves  
Dick like water, reals in hell  
I sold dope, didn't stack up  
And I buy a berth from jail twelve  
Gonna easily make my jail bail  
Locked up in that jail cell  
Writing hoes, dirty laps  
Jerking off to my mail well  
Man I fuck with white hoes  
That be smoking Pall Mall  
That be pale with thick tails  
Smoke Adderall snort snail trail  
I used to rot in stones  
Let my nigga fishtail  
Now I'm on that mix scale  
Not fuckin' with no fish scale (Summertime)  
About to get my niggas off the hood  
Ballin' hard like you knew we would  
Your bitch in my phone and she wish she could  
Because she wish she could  
Ball so hard like he couldn't fuck for months  
Blunt after blunt after blunt after blunt  
Pill after pill after pill after pill  
Extra pills, extra pills!

Summertime  
Aaaaaaah!  
One two three  
You and me  
You and me!  
Aaaaaaah!  
One two three  
(The Wozard of Iz)  
Aaaaaaaaaaah! (Here we go!)
