

# Crazy Homicide

## The Avengers

Nothing in the world can satisfy you  
But you won't give up and be like the rest  
Nobody cares if you live or die  
So you join the party called homicide

You never get caught 'cause you're too smart  
Invisible boy, you can see in the dark  
You're an urban guerrilla with no real cause  
But to tear things down, finish things off

What's the point  
Of living a 2-D life  
You may as well blow up  
Next step is genocide

Crazy Homicide, Crazy Homicide (revolution)  
You got nothing, and nothing to say  
Crazy Homicide, Crazy Homicide (no solution)  
Don't give yourselves away

Nothing in the world can satisfy you  
But you can't give up and be like the rest  
Nobody cares if you live or die  
So you join the party called homicide

What's the point  
Of living a 2-D life  
You may as well blow up  
Next stop is suicide

Crazy Homicide, Crazy Homicide (revolution)  
You got nothing, and nothing to say  
Crazy Homicide, Crazy Homicide (no solution)  
Don't give yourselves away

Crazy Homicide, Crazy Homicide (revolution)  
You got nothing, and nothing to say
