

## Paint It Black

The Avengers

I see a red door and I want it painted black  
No colors anymore, I want them to turn black  
I see the girls go by dressed in their summer clothes  
I have to turn my head until my darkness goes

I see a line of cars and they're all painted black  
Dead flowers and the loved one never to come back  
I see people turn their heads and quickly look away  
Like a new born baby; it just happens every day

I look inside myself and see my heart is black  
I see my red door and want it painted black  
If I try hard enough I won't have to face the facts  
It's not easy facing up when your whole world is black

No more will my green sea go turn a deeper blue  
I could not foresee this thing happening to you  
If I look long enough into the setting sun  
My love will laugh with me before the morning comes

I see a red door and I want it painted black  
No colors anymore, I want them to turn black  
I see the girls walk by dressed in their summer clothes  
I have to turn my head until my darkness goes

I wanna see it painted, painted black  
Black as coal, black as night  
I wanna see the sun blotted out from the sky  
I wanna see it painted, painted, painted, painted black now
