

## Backwards With Time

The Avett Brothers

Folk always told me that my heart would grow  
The older the man, yeah, the stronger the stone  
Am I losing my mind?  
Am I growing backwards with time?

Some say with age that a purpose comes clear  
I see the opposite happening here  
Are we losing the fight?  
Are we growing backwards with time?

I was young and love was fun  
Now it's so serious  
Now all the fun has equal pain  
There's something wrong with this  
For all I know there's more I don't  
Oh the little I have learned  
For every year of knowledge gained  
Is a negative year I've earned

Folk always told me that my heart would grow  
The older the man, yeah, the stronger the stone  
Am I losing my mind?
