

# I and Love and You

The Avett Brothers

Load the car and write the note  
grab your bag and grab your coat  
tell ones that need to know  
we are headed north

all one foot in and one foot back  
but its okay, to live like that  
so i cut the ties and i jumped the tracks  
for never to return

brooklyn brooklyn take me in  
are you aware the shape im in  
my hands they shake my head it spins  
brooklyn brooklyn take me in

when at first i learned to speak  
i used all my words to fight  
with him and her and you and me  
oh its just a waste of time  
its such a waste of time

that women shes got eyes that shine  
like a pair of stolen polished dimes  
she asked to dance i said its fine  
ill see you in the morning time

brooklyn brooklyn take me in  
are you aware the shape im in  
my hands they shake my head it spins  
brooklyn brooklyn take me in

three words that became hard to say  
i and love and you  
what you were then i am today  
look at the things i do

brooklyn brooklyn take me in  
are you aware the shape im in  
my hands they shake my head it spins  
brooklyn brooklyn take me in

dumbed down and numbed my time and age  
you dreams to catch this world the cage  
the highway sets the travelers stage  
all exits look the same  
three words that became hard to say  
i and love and you  
i and love and you  
i and love and you  
the highway
