

# Pretty Girl from Raleigh

The Avett Brothers

Who sold you this anger  
I suspect it was your friends  
Or was it a stranger  
Convincing you that this was the end

And I would like to thank you  
For coming round and doing this  
My nights have been pretty painful  
Losing that pain was always the trick

You always said that I was lying  
That I was just a selfish man  
But I all ready gave it all away  
So you can let go of my selfish hand

So bye bye bye bye bye  
I ain't got time to watch you cry  
Cause I've been drinking seven hours now  
Sympathy is a waste of my high

And I would like to say it hurts me (but it don't)  
That I don't know just what to do (but I do)  
But it don't hurt when you're just killing time  
I was killing time and I think that you knew
