

When Life Is Good

The Axis of Awesome

When Life is Good
When your having fun
Feel on top of the world
Feel like No. 1

Yeah life is great
It'll never end
Fun with yourself
and fun with friends

Yeah party time
Dont want to stop
Yeah it's off the hook
Gonna reach the top

When the sun goes down
and you've had you fun
Don't forget,
Don't forget,
Don't forget,
Don't forget to delete you internet history

Everyone loves life
dont let it go to waste
Cos Fun is fun
You should reset your cache

The party's done,
listen up you rookies
Clear you auto fill forms
and delete your cookies

If there's stuff you've found
That you want to keep
Put it on a drive
Hide it where you sleep

When the sun goes down
and you've had you fun
Don't forget,
Don't forget,
Don't forget,
Don't forget,
Don't forget,
Don't forget,
Don't forge to delete you internet history

Cos I dont want to see a horse fucking a man.
