

Planet Claire

The B-52's

Ahhhahhahhahh

She came from Planet Claire
I knew she came from there
She drove a Plymouth Satellite
Faster than the speed of light

Planet Claire has pink air
All the trees are red
No one ever dies there
No one has a head

Ahhhahhhahhahh

Some say she's from Mars
Or one of the seven stars
That shine after 3:30 in the morning
WELL SHE ISN'T

Ahhhahhhahhahhahhahh
