

## Dying Man

The Babys

Come on sugar  
You know I love you so  
I ain't got much time before I go  
I'm a dyin' man yeah  
That's all I am  
I'm a dyin' man  
That's all I am  
So help me baby  
Come on baby  
You know I feel  
Just make it fast before I go  
I'm a dyin' man  
Oh yeah  
That's all I am  
I'm a dyin' man yeah  
That's all I am  
Come on sugar  
Give me everything you got  
I love you so I'm feelin' hot  
Cause I'm a dyin' man  
Well that's all I am  
Yeah that's all I am  
That's all I am  
That's all  
That's all I am
