

# Give Me Your Love

The Babys

Give me your love  
Ah I need that thing real bad  
Give me your love  
Ah baby you're drivin' me mad  
Give me your love  
Give me your hands  
Ah babe I want to feel your touch  
Give me your hands babe  
Nothin' could ever mean as much  
Give me your love  
Oh babe feels like I'm falling  
(Oh oh oh)  
Ah sugar pie feels like I'm falling  
Feel like a fool  
Give me your love  
Ah I need it right away  
Give me your love  
Ah babe there's nothin' else to say  
Give me your love no  
Give me your love ooh  
Oh babe feels like I'm falling  
(Oh oh oh)  
Ah sugar pie feels like I'm falling  
Feel like a fool  
Give me your love  
Give me your love  
Yeah  
Give me your love  
Give me your love  
Give me your love  
Give me your love  
Give me everything
