

## All Your Life

The Band Perry

Would you walk to the edge of the ocean  
Just to fill my jar with sand  
Just in case I get the notion  
To let it run through my hand  
Let it run through my hand

Well, I don't want the whole world  
The sun, the moon, and all their light  
I just want to be the only girl  
You love all your life  
You love all your life

Would you catch a couple thousand fireflies  
Yeah, put them in a lamp to light my world  
All dressed up in a tux and bowtie  
Hand deliver to a lonely girl  
To a lonely lonely girl

Well, I don't want the whole world

The sun, the moon, and all their light  
I just want to be the only girl  
You love all your life  
You love all your life

Lately I've been writing desperate love songs  
Mostly I sing them to the walls,  
You could be the center piece of my obsession  
If you would notice me, at  
all yeah

Well I don't want the whole world, no  
The sun, the moon, and all their light  
I just want to be the only girl  
You love all your life  
You love all your life

You love all your life  
Life  
Yeah
