

Ain't That a Lot of Love

The Band

I know the desert could hold all the love
That I feel in my heart for you
Just like the ocean that started to roll
My love, it could be comin' to you

Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours
It wouldn't need a fire
I can't think of a word that describes you better
Than indescribable

Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, darling
They would shut up their honey comb
If the birds could hear how sweet your voice is
They'd pack up and fly away

Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold
