## Ain't That a Lot of Love

The Band

I know the desert could hold all the love That I feel in my heart for you Just like the ocean that started to roll My love, it could be comin' to you

Ain't that a lot of love for one heart to hold Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours It wouldn't need a fire I can't think of a word that describes you better Than indescribable

Ain't that a lot of love for one heart to hold Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you were, darling They would shut up their honey comb If the birds could hear how sweet your voice is They'd pack up and fly away

Ain't that a lot of love for one heart to hold Ain't that a lot of love for one heart to hold
