

## Chest Fever

The Band

I know she's a tracker  
Any scarlet would back her  
And they say she's a chooser  
But I just can't refuse her  
She was just there  
But then she can't be here, no more

And as my mind unweaves  
I feel the freeze down in my knees  
But just before she leaves  
She receives

She's been down in the dunes  
And she's dealt with the goons  
Now she drinks from the bitter cup  
I'm trying to get her to give it up  
She was just here  
I fear she can't be here no more

And as my mind unweaves  
I feel the freeze down in my knees  
But just before she leaves  
She receives

It's long, long when she's gone  
I get weary holding on  
Now I'm coldly fading fast  
I don't think I'm gonna last, very much longer

"She's stoned", said the Swede  
And the moon calf agreed  
Well, I'm like a viper in shock  
With my eyes in the clock  
She was just there somewhere  
And here I am again

And as my mind unweaves  
I feel the freeze down in my knees  
But just before she leaves  
She receives
