

# I Don't Believe You

The Band

I can't understand, she let go of my hand  
And left me here facing the wall  
I'd sure like to know why she did go  
But I can't get close to her at all

Though we kissed through the wild blazing nighttime  
She said she would never forget  
But now morning is clear, it's like I ain't here  
She acts like we never met

It's all new to me, like some mystery  
It could even be like a myth  
But it's hard to think on that she's the same one  
That last night I was with

From darkness, dreams are deserted  
Am I still dreamin' yet?  
I wish she'd unlock her voice once and talk  
'Stead of acting like we never met

If she ain't feelin' well, then why don't she tell  
'Stead of turnin' her back to my face?  
Without any doubt she seems too far out  
For me to return to or chase

Though her skirt it swayed as the guitar played  
Her mouth was watery and wet  
But now something has changed, for she ain't the same  
She just acts like we never have met

If I didn't have to guess, I'd gladly confess  
To anything I might have tried  
If I was with her too long or I've done something wrong  
I wish she'd tell me what it is, I'll run and hide

Though the night ran swirling and whirling  
I remember her whispering yet  
But evidently she don't, evidently she won't  
She just acts like we never have met

I'm leavin' today, I'll be on my way  
Of this I can't say very much  
But if you want me to, I can be just like you  
And pretend that we never have touched

And if anybody asks me, "Is it easy to forget?"  
I'll say, "It's easily done  
You just pick anyone  
And pretend that you never have met"
