

## It Makes No Difference

The Band

It makes no diff'rence where I turn  
I can't get over you and the flame still burns  
It makes no diff'rence, night or day  
The shadow never seems to fade away

And the sun don't shine anymore  
And the rains fall down on my door

Now there's no love  
As true as the love  
That dies untold  
But the clouds never hung so low before

It makes no diff'rence how far I go  
Like a scar the hurt will always show  
It makes no diff'rence who I meet  
They're just a face in the crowd  
On a dead-end street  
And the sun don't shine anymore  
And the rains fall down on my door

These old love letters  
Well, I just can't keep  
'Cause like the gambler says  
Read 'em and weep  
And the dawn don't rescue me no more

Without your love I'm nothing at all  
Like an empty hall it's a lonely fall  
Since you've gone it's a losing battle  
Stampeding cattle  
They rattle the walls

And the sun don't shine anymore  
And the rains fall down on my door

Well, I love you so much  
It's all I can do  
Just to keep myself from telling you  
That I never felt so alone before
