

## Life Is a Carnival

The Band

You can walk on the water, drown in the sand  
You can fly off a mountaintop if anybody can  
Run away, run away--it's the restless age  
Look away, look away--you can turn the page  
Hey, buddy, would you like to buy a watch real cheap  
Here on the street  
I got six on each arm and two more round my feet  
Life is a carnival--believe it or not  
Life is a carnival--two bits a shot

Saw a man with the jinx in the third degree  
From trying to deal with people--people you can't see  
Take away, take away, this house of mirrors  
Give away, give away, all the souvenirs  
We're all in the same boat ready to float off the edge of the world  
The flat old world  
The street is a sideshow from the peddler to the corner girl  
Life is a carnival--it's in the book  
Life is a carnival--take another look

Hey, buddy, would you like to buy a watch real cheap  
Here on the street  
I got six on each arm and two more round my feet  
Life is a carnival--believe it or not  
Life is a carnival--two bits a shot
