

What Am I Living For

The Band

Oh, what am I living for if not for you?
What am I living for if not for you?
What am I living for if not for you?
Baby, nobody else but nobody else but you

Oh, what am I longing for each lonely night?
To feel you close to me and hold you tight
What am I living for if not for you?
Baby, nobody else but nobody else will do

And I want you close to me, that's all that I know
I want you all the time because I love you so

A-what am I living for if not for you?
What am I living for if not for you?
What am I living for if not for you?
Baby, nobody else but nobody else will do

And I want you close to me, that's all I know
I want you all the time because I love you so

Ah, what am I living for if not for you?
What am I longing for if not for you?
What am I living for if not for you?
Baby, nobody else, but nobody else will do

Baby, nobody else, but nobody else but you
Baby, nobody else, nobody else but you
