

# Who Do You Love?

The Band

Ever since time began  
Man loves the woman  
Woman loves the man

This is the way  
It was meant to be  
Through the pages  
Through the books of our history

You, you, you  
Who do you love, who do you love, who do you love, now,  
You, you, you  
Who do you love, who do you love, who do you love

One and one and one are three  
I love you  
Do you love me  
This is the place now is the time  
Give me your love  
And I'll give you mine

You, you, you  
Who do you love, who do you love, who do you love, now,  
You, you, you  
Who do you love, who do you love, who do you love

This is simple  
And it's true  
There's a shining light  
All around you  
You're the one  
You're the fire  
You can make it higher and higher

This is the place now is the time  
Tell me now darlin' will you be mine

You, you, you  
Who do you love, who do you love, who do you love

Put your arms around me  
Ahhh  
Hold me tight  
Ahhh  
Cuddle up darlin'  
Ahhh  
In the sill of the night  
Ahhh  
You are the one  
Ahhh  
That I adore  
Ahhh  
You are the one  
That I love so

This is the place now is the time  
Tell me now darlin' will you be mine

You, you, you  
Who do you love, who do you love, who do you love, now,  
You, you, you  
Who do you love, who do you love, who do you love, now,  
You, you, you  
Who do you love, who do you love, who do you love, now,  
You, you, you  
Do you love me  
Do you love me  
Do you love me now  
You, you, you  
Who do you love  
who do you love  
who do you love.
