

# Freaky Behavior

The Bar-Kays

I've got your mother's intuition  
And our father's intellect  
I'm the deep part of you  
That you haven't discovered yet

I could be your sister  
Or maybe I'm your brother  
I could be your best friend  
Or I might be your lover

I'm your freaky behavior  
Oh, a funky new waver  
I'm your freaky behavior  
Oh, a funky new waver and watch me

I'm your freaky behavior  
Oh, a funky new waver  
I'm your freaky behavior  
A funky new waver

Oh...oh...  
Oh...oh...  
Oh...oh...  
Oh...oh...

I'm the other part of you  
The your friends never knew  
I'm the bark with the spark  
You can cuddle me too

I can be your savior  
In your time of need  
Or I can keep the favor  
And watch you plead

I'm your freaky behavior  
A funky new waver  
I'm your freaky behavior  
Oh, a funky new waver

Yes, I'm your freaky behavior  
A funky new waver  
I'm your freaky behavior  
A funky new waver

Oh...oh...oh...oh...oh...oh...oh...oh...oh...  
Oh...oh...oh...oh...oh...oh...oh...oh...oh...  
Oh...oh...oh...oh...oh...oh...oh...oh...oh...

Behavior (Watch me)

I'm your freaky behavior  
Oh, a funky new waver  
Yes, I'm your freaky behavior

A funky new waver  
Well, I'm your freaky behavior  
A funky new waver  
I'm your freaky behavior  
Oh, a funky new waver, yeah, yeah, yeah
