## Shake Your Rump To The Funk

**The Bar-Kays** 

Don't stop dancing to the music Just let the music make you high We've got rhythm, you can use it Don't let this feeling pass you by, by, by

Don't fight the feeling in your soul Just boogie on back and Let the good times roll, yeah We're here to move your soul

Just get on up, yeah Everybody party, come on Y'all, let's get started, yeah, yeah

Shake your rump to the funk now Well, well, well

Everybody, keep on moving Just get on up and do your stuff, yeah, yeah Everybody, keep on grooving Moving and grooving is what they all are doing

Come on, everybody, yeah, yeah Feel this stuff, yeah We just wanna groove you Till you get enough, yeah

We want to play for you Our funky sound, yeah Move it to the music and Get down, down, down

Shake your rump to the funk now Shake your rump to the funk now Shake your rump to the funk now Shake your rump to the funk now

Well, well, well Well, well, well

Shake your rump to the funk, come on and Come on and, come on and
