

Bitten By The Same Bug

The Basics

Run me round the latest record
By the newest thing
So convinced, you are so cocksure
It's the coolest thing
Now I can't get it outta my brain
And the same old lines
Come back time and time
Time again

Took me out to see a movie
It's the latest one
Didn't think that it could prove to me my favourite one
But I guess I must admit
That the things I like
Are the things you like

I've been bit
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Yeah I guess I must admit
That the things I like
Are the things you like

I've been bit
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten

(Been bitten)
Bitten by the same bug

Never used to go out dancing
'Til you took me out
Now if you don't catch me dancing
It's a lucky night
'Cause I do it every day
And I can't hold off
When (?)

I've been bit
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)
Bitten by the same bug

Bitten
(Been bitten)

Bitten
(Been bitten)

Bitten
(Been bitten)
