Did I Ever Stand a Chance?

The Basics

Did I ever stand a chance, oh no I need an answer (He needs an answer) Did you feel anything for me at all? I've got to know (He's gotta know) Did I move too fast, did I take too long Did I come on much too strong? Did I ever stand a chance? Oh please Please let me know I'm doing fine out here by myself (He's doing fine all by himself) But I was thinking 'bout how I felt (He's thinking about you) About you Now tell me Did I ever stand a chance, oh no I need an answer (He needs an answer) Did you feel anything for me at all? I've got to know (He's gotta know) Did I move too fast, did I take too long Did I come on much too strong? Did I ever stand a chance? Oh please Please let me know I play it cool, I'm just a friend now (He plays it cool, he's just a friend) Still, I wonder how things turned out like they did (Was it, was it) Was it how I looked? (Was it how he looked?) (Was it, was it) Was it what I said? (Was it what he said?) (Was it, was it) Was it where it was? (Was it where he was?) (Was it, was it) Was it 'cause I smelt? (Was it 'cause he smelt?) Did I ever stand a chance, oh no I need an answer (He needs an answer) Did you feel anything for me at all? I've got to know (He's gotta know) Did I move too fast, did I take too long Did I come on much too strong? Did I ever stand a chance? Oh please Please let me know Oh please Please let me know Oh please Please let me know
