

Hey C'mon!

The Basics

Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
She's always there to hold me tight
That's how I know
There's not a time that I can say
That I'm alone
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
She's got no need for diamond rings
And that's for sure
And all those ordinary things
And what is more
They could say most anything
But that would never change a thing
At all
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
She'll never leave no matter what
I say our do
And with a girl like that
Now why would I want to?
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Hey, c'mon
Oh yeah, let me tell you 'bout my baby
Let me tell you 'bout my baby
Let me tell you 'bout my baby, my baby
My baby, my baby
My baby
