

I Don't Need Another

The Basics

I know I've no right to ask
After the things that I did
I know I hurt you real bad
You've no reason to forgive me
I know I made mistakes
I know I've made quite a few
But I think I've got what it takes
To show you I can be true
'Cause I don't need another
Don't need no other lover
All I need's another chance
To show you I understand
That I don't need another
Don't need no other lover
You don't need another man
I'll give you all that I can
I know it's hard to move on
From all the things that I've done
But I'm done with doing you wrong
'Cause I know that you are the one for me
Baby, don't go
Not after all we've been through
I just want you to know
From now on I will be true
'Cause I don't need another
Don't need no other lover
All I need's another chance
To show you I understand
That I don't need another
Don't need no other lover
You don't need another man
I'll give you all that I can
And I don't know what else to say
To show you how I have changed
And I don't know what I can do
To prove that I'm telling the truth
I don't need another
Don't need no other lover
All I need's another chance
To show you I understand
That I don't need another
Don't need no other lover
You don't need another man
I'll give you all that I can
'Cause I don't need another
Don't need no other lover
All I need's another chance
To show you I understand
That I don't need another
Don't need no other lover
You don't need another man
I'll give you all that I can
