

Karolina  
So good to see ya  
It's nice to meet ya  
Karolina  
I could dance all night  
Together here with you  
And I think I might  
It's only half past two  
Karolina  
So good to see ya  
It's nice to meet ya  
Karolina  
You could dance all night  
Together here with me  
And I think you might  
It's only half past three  
Karolina  
So good to see ya  
It's nice to meet ya  
Karolina  
We could dance all night  
We could jump and jive  
'Til the morning light  
It's nearly half past five  
Karolina
