

# Sound Off

## The Basics

There is a place in my head  
Where I go and no one knows  
What I do, when I'm there  
And I think that they don't care  
If I go, if I stay  
Makes no difference anyway  
'Cause when all's said and done  
They just wanna have some fun

So I say sound off!  
(One, two)  
These boys are gonna come for you  
Sound off!  
(Three, four)  
More, more, more  
Yes I say sound off!  
(Five, six)  
Oh, they gonna get your kicks  
Sound off!  
(Seven, eight)  
And one, two, three, four, five, six, seven, eight

There is a place in your head  
Where you go and no one knows  
What you do, when you're there  
And you think that they don't care  
If you go, if you stay  
Makes no difference anyway  
'Cause there's you, and then there's them  
But you built up your defence

So I say sound off!  
(One, two)  
These boys are gonna come for you  
Sound off!  
(Three, four)  
More, more, more  
Yes I say sound off!  
(Five, six)  
Oh, they gonna get your kicks  
Sound off!  
(Seven, eight)  
And one, two, three, four, five, six, seven, eight

There is a place so I'm told  
Where you go and no one knows  
What you do, when you're there  
They pretend that they don't care  
If you go, if you stay  
Well it still matters when you're gone  
'Cause when all's said and done  
There is more to life than fun

So I say sound off!  
(One, two)  
These boys are gonna come for you  
Sound off!

(Three, four)  
More, more, more  
Yes I say sound off!  
(Five, six)  
(?) get your kicks  
Sound off!  
(Seven, eight)  
And one, two, three, four, five, six, seven, eight
