

## Three Cool Cats

### The Basics

Three cool cats  
Three cool cats  
Coming up the street in a beat up car  
They're splitting up the left, the candy bar  
And talking all about how shot they are  
Those three cool cats

Three cool chicks  
Coming up the street they're swinging their hips  
Splitting up a bag of potato chips  
I think cool cats did three big flips for  
Three cool chicks  
Three cool chicks

Well up came that first cool cat  
He said, "My look at that!  
Man do you see what I see?"  
"I want that middle chick"  
"I want that little chick"  
"Hey man, save one chick for me!"

Three cool chicks  
Three cool chicks  
Well they look like angels from up above  
And three cool cats really fell in love  
And three cool chicks, they made three fools of  
Those three cool cats  
Three cool cats

Well up came that first cool cat  
He said, "My look at that!  
Man do you see what I see?"  
"I want that middle chick"  
"I want that little chick"  
"Hey man, save one chick for me, oh please!"
