

A Real Cool Time

The Bates

A real cool time

Strawberry chambermaid in summertime
I feel so fine
Obnoxious things and all that stuff
Are really out
I'd like to know where you have gone
Now that we all have such fun
We got big beat we got big kiss
it's a bliss

Feels like I'm in heaven
Oh I feel so fine
If you where only here my friend
You would have a real cool time
A real cool time
(Instrumental)

Special volcano that you are
Why did you have to go so far
I'm sure you'd like it just like this
I'd like to know where you have gone
Now that we all have such fun
We got big beat we got big kiss
it's a bliss

Feels like I'm in heaven
Oh I feel so fine
If you where only here my friend
You would have a real cool time
A real cool time

I wonder why you're gone
you left so many things andone
you forgot to kick some asses
yeah you forgot to kick some asses

Feels like I'm in heaven
Oh I feel so fine
If you where only here my friend
You would have a real cool time
A real cool time

Feels like I'm in heaven
Oh I feel so fine
If you where only here my friend
You would have a real cool time
A real cool time

Feels like I'm in heaven
Feels like I'm in heaven
Feels like I'm in heaven
Oh I feel so fine
My friend
WE WOULD HAVE A REAL COOL TIME
