

Ahead Of You

The Bates

Ahead of you

It's not your thing
as I ribble without a course
break the rules
just unexpectables
take on your ship
but there are no new shows

You can couple (?) leaders
thats not I can do
talk revolutions
ev'ry slogan
if you think they're true
but there's a young in Abyss
and it's houngrly for you
PLEASE BELIEVE ME
it's hungry for me too
too
yes, it's true
YEAH (3x)
(Instrumental)

The simple things are quiet complicated
yes, I finally know
and there's no right for success
No metter for what you go
so don't end with me
I have paid for what I've heard

You can not kiss me up the sea
that's not I can do
Spredcomeful lies (?)
If you think, they're true
but you better look into the Abyss
sincearly it's hungry for you
If you only understood
It's hungry for me too
too
YES; IT`S TRUE
YEAH (3x)
(bass)

I were weak for you
or at your helping hand
my own knees are shaken
Yeah, I tried to make a stand
So good luck
(so good luck)
I won't help you
before I can
I can
I can
AHEAD OF YOU
