

Always The Same

The Bates

Always the same

I remember the times
When we were together
We were so high

But now
I'm alone
I ain't got no friend
I don't need no one

And I know
They come and go
And I know
It will never change

It's always the same
Yeah
it's always the same
It's always the same (3x)

I remember the times
When we were together
We were so high

But now I'm alone
I ain't got no friend
I don't need no one

It's always the same (3x)

All I need is rock'n'roll music
It's always the same
You drepped me out
I don't wanna holiday in the sun
Barabeila La Bamba I' m a boy (3x)

It's always the same (2x)
Sheena is a punk rocker

It's always the same (a.s.o.)
