The Bates

Baby i got you

I got a bottle full of love
I got a river full of love
I got an ocean full of love
And baby I got you

I got a bottle full of pain
I got a river full of pain
I got an ocean full of pain
And baby I got you
Maybe I got you
(Instrumental)

I got a bottle full of hate
I got a river full of hate
I got an ocean full of hate
And baby I got you
Maybe I got you
Maybe I got you
Maybe I got you
