

Beautiful Noise

The Bates

Beautiful noise

What a beautiful noise Comin' up from the street
It's Got a beautiful sound It's got a beautiful beat
It's a beautiful noise Goin' on everywhere
Like the clickety-clack Of a train on a track
It's got a rhytm to spare
It's a beautiful noise And it's a sound that I love
And it fits me as well just like a hand in a glove
Yes it does, yes it does

What a beautiful noise Comin' up from the park
It's the song of this kids And it plays until dark
It's the song of the cars On their furious flights
But there's even romance In the way
that they dance To the beat of the lights

It's a beautiful noise And it's a sound that I love
And it makes me feel good just like a hand in a glove
Yes it does, yes it does

What a beautiful noise
(Instrumental)

It's a beautiful noise
Made of joy and of strife
Like a symphony played by the passing parade
It's the music of life
It's a beautiful noise
And it's the sound that I love
and it makes me feel good just like a hand in a glove
yes it does, yes it does

What a beautiful noise
Comin' into my room
And it's beggin' for me
Just to give it a tune
